

LADY ASTOR MAKES MAIDEN SPEECH IN DEBATE ON BOOZE

Woman Member of Parliament Roundly Cheered and Praised by Colleagues for Courageous Address.

LONDON, Feb. 25 (R)—The Associated Press—Lady Astor made her maiden speech in the House of Commons during the course of an interesting debate on the subject of liquor control. Sir John Lubbock, the Conservative member for the City of London, introduced a bill to remove the existing restrictions on the sale of liquor. Lady Astor, a Liberal member, rose to oppose the bill. She spoke for nearly an hour, and her speech was roundly cheered and praised by her colleagues. She said that she was not a teetotaler, but she believed that the sale of liquor should be controlled. She said that she had seen the effects of liquor on her own family, and she believed that the government should take action to prevent such a tragedy from happening again. Builders Of Big Shoals Plant Deny Extravagance Raps

WASHINGTON, Feb. 25.—Builders of the Muscle Shoals nitrate plant denounced before the House yesterday a charge that they had spent money recklessly to increase their own profits through the cost-plus contract system in time of war. Failing to deal with "published standards" in the court, Frank S. Washburn, president of the American Cyanamid company, appeared to the committee to remember that the men associated in construction of the big war project were actuated by the best motives and deeply resentful of "outrageous" attacks. He declared the "slander of which they were the victims" was much like the charge against a physician that he deliberately kept a patient in bed so as to exact a continuing fee. "An outrageous attempt has been made to have it appear that the Muscle Shoals builders added to the cost—kept the patient in bed, so to speak—as to increase their profits," Mr. Washburn said. "Our attorneys have advised us that there is no way by which we may proceed against Mr. Wagner, who recently submitted wholesale charges to this committee. There is nothing we may do in the matter of newspapers which have printed these slanderous charges, so we may only appeal to the justice of the committee and ask that it bear in mind that stories without foundation of fact have gone over this country, injuring the reputation of men who are the most valued members of society."

CAROLINA MEN BUY KENTUCKY TOBACCO

PADUCAH, Ky., Feb. 25 (Sp)—That agents of prominent South Carolina tobacco interests will begin purchasing of McCracken county tobacco from growers at the "batts" this week is the statement made by E. L. Walton, representative of the firm, who has arrived here for investigation of the tobacco market. Buyers will be sent through the country making offers for the crop and paying a deposit of \$100 in cash when the contract is signed. The tobacco is shipped upon delivery at Paducah, growers of the district hold to the position that all crops will be kept for two weeks. No sales have been held on the floor for about two weeks.

DODSON WARNS CALOMEL USERS

It's Mercury! Attacks the Bones, Salivates and Makes You Sick.

There's no reason why a person should take sickening, debilitating calomel when a few cents buys a large bottle of Dodson's Liver Tonic—a perfect substitute for calomel. It is a pleasant vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can't salivate. Children and grown folks can take Dodson's Liver Tonic, because it is perfectly harmless. Calomel is a dangerous drug. It is mercury and attacks the liver. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tonic instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tonic acts better than horrible calomel your money is waiting for you. adv.

Owners Praise It For Its Comfort

The delightful comfort with which five adult persons ride in the Cleveland Six touring car has appealed to buyers everywhere. The wide, soft-cushion seats, upholstered in genuine hand-buffed plaited leather, are cozy as cozy can be. And the low underslung spring construction, a feature of the Cleveland Six chassis, subdues the road-shock long before it can reach the cushions.

Many unusual qualities such as these are fast winning friends for the Cleveland Six. Among light weight sixes it stands out distinctly.

At all the principal automobile shows this season it has attracted extraordinary crowds. Men of mechanical interests and men ex-

perienced in the use of motor cars have been generous in their expression of approval and admiration for the entire design and construction of the Cleveland Six chassis. The several beautiful styles of body, mounted on this one chassis, have met with praise from men and women alike.

When you see or drive the Cleveland Six, you want it.

Wedding Silver

Of all her gifts her silver is always most cherished by the bride, for there is something more to silver than ordinary gift appreciation. This is because silver lasts for a lifetime and gathers sentiment through the association of years and is handed down from mother to daughter as a cherished heirloom.

Never before in the history of our store have we had so excellent an assortment of desirable articles in silver, and most interesting of all is the fact that few of our offerings could be replaced in our stock at their present sale price.

To fail to inspect our silverware before purchasing is to miss an opportunity that is not often afforded.

Our artistic engraving—attractive boxing—safe and prompt delivery adds value to your gift.
